DISEÑO

El proceso de creación de las colecciones se trabaja conjuntamente junto al departamento de diseño de Agatha Ruiz de la Prada.

Nuestras gafas de sol y vista están 100% en línea con el concepto de la colección de la marca. Al igual que un bolso o un cinturón, las gafas suponen un accesorio igual de importante para Agatha Ruiz de la Prada.

Un año antes al lanzamiento de la colección, nuestro departamento de diseño se pone a trabajar en los nuevos modelos de gafas basándose en los inputs proporcionados por la marca.

Agatha Ruiz de la Prada nos hace llegar este documento que nos sirve de guía e inspiración para crear la nueva colección. A nuestra inspiración basada en las tendencias del mercado, se les suman las formas, los estampados y las texturas que propone Agatha para su siguiente colección.

Todo este proceso, coordinado junto al equipo de la marca en Madrid, culmina, meses más tarde, con la presentación de nuestra propuesta de colección. Una colección que la marca debe validar antes de pasar a la siguiente fase: convertirla en una realidad.

MARKETING Y COMUNICACION

Toda la creación de soportes de publicidad e incluso la comunicación de las nuevas colecciones se trabaja conjuntamente junto a la marca. Los copies y el concepto de campaña va alineado con la línea trazada por la marca (muchos meses antes) durante la presentación de la colección en los desfiles.

El plan de comunicación trazado por parte de Optim siempre es validado por la marca, la cual, gracias a su gran predisposición, aporta puntos de vista, herramientas y materiales gráficos para poder alcanzar los objetivos marcados.

DESIGN

The creation process of the collections is worked on simultaneously with the design department of Agatha Ruiz de la Prada.

Our sunglasses and frames are 100% in line with the concept of the brand's collection. Compared to a bag or a belt, glasses are an equally important accessory, according to Agatha Ruiz de la Prada.

Agatha Ruiz de la Prada sends us this file which serves as a guide and inspiration for us to create the new collection. To our inspiration, which comes from the market's trends, we add the shapes, prints and textures that Agatha proposes.

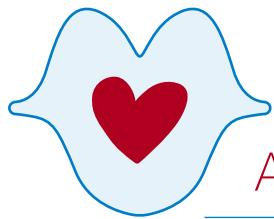

This whole process, coordinated together with the brand's team in Madrid, culminates, months later, with the presentation of our own collection proposal. This is what the brand must approve and validate before moving on to the next step: making it a reality.

MARKETING & PR

The whole creation of advertising supports and even the communication and media of the new collections are put together in compliance with the brand. The copies and the campaign's concept are aligned with the ideas traced by the brand months prior during the presentation of the collection in the runways.

The communications plan designed by Optim is always validated by the brand, which, thanks to their great predisposition, brings points of view, tools and graphic material to the table so we're able to meet the established goals.
