PERTEGAZ

Manuel Pertegaz (Olba 1917 - Barcelona 2014) ha sido considerado el modisto español de mayor trascendencia del s.XX junto con Balenciaga. Pertegaz definió la elegancia de la mujer durante décadas, una elegancia distinguida, un glamour sereno y delicado. Su concepto era el de una mujer cisne, frágil y majestuosa al mismo tiempo.

Pertegaz tenía una capacidad innata, solo al alcance de los grandes creadores, de convertir en clásico todo lo que tocaba, lo cual no deja de ser una manera de hacer perdurable la modernidad. Su influencia ha persistido hasta el siglo XXI, adaptándose a los cambios constantes en el mundo de la moda, aunque siempre manteniéndose fiel a su estilo. Pertegaz nunca quiso caer en el uniforme de la moda al que en ocasiones conducen las tendencias efímeras.

La disciplina, la constancia y la entereza estuvieron presentes en toda su carrera. Su motor creativo fue la obsesión por la búsqueda infinita de la perfección, la que nunca se alcanza, pero cuando se roza llena todo de significado.

Manuel Pertegaz (Olba 1917-Barcelona 2014) has been considered the most important Spanish dressmaker of the twentieth century together with Balenciaga. Pertegaz defined the elegance of the woman for decades, a distinguished elegance, a serene and delicate glamour. His concept was a woman swan, fragile and majestic at the same time.

Pertegaz had an innate capacity, only within the reach of the great creators, to make classic everything he touched, which is a way to make modernity enduring. Its influence has persisted until the 21st century, adapting to the constant changes in the world of fashion, although always staying faithful to its style. Pertegaz never wanted to fall into the fashion uniform that sometimes leads to ephemeral tendencies.

The discipline, perseverance and fortitude were present throughout his career. His motor was the obsession with the infinite lookup of perfection, which is never reached, but when it rubs fills all of meaning.
